Attention: Fundraising Committee

Thank you for giving Rhythmic Kids Australia the opportunity to introduce Melbourne's newest and hottest fundraising Packages.

We have been running fundraising for over 2 years now making profits as high as \$400.00 for some centres and would like to give you the opportunity to make great profits for your organisation. We recognise that ALL children LOVE music so we have developed a fundraising program that will raise funds for your kindergarten, preschool or playgroup which benefits the minds of children and not their hips.

WARNING!! RHYTHMIC KIDS AUSTRALIA is 100% FAT FREE,
WE DO 95% of the work and GIVES YOU 20% of all profits.

Here's how simple it is...

Designed around a "book club" concept – A selection of musical instruments best suited to the centre is delivered along with an order sheet. Parents, carers and children are able to sample, touch and experiment with the instruments then place their order on the sheet of what they would like to purchase. Once the fundraiser is closed, the order sheet is then faxed to us for processing; we deliver – collect outstanding money (LESS 20%) leaving that profit at the centre!

If you would like more information or have any questions relating to the fundraising program, please contact me 1300 769 639 or mobile 0410 637 863.

Thank you and we look forward to supporting you in 2007.

Sincerely

Shelley Sizer
